

Application Documents

The application must include the following documents:

- Application form with personal data and passport size photo
- Certificate of first degree (first degree awarded by a higher education institution in architecture, civil engineering, urban and regional planning, landscape and environmental planning, facility management, surveying, real estate, geo-informatics or other planning-related disciplines)
- Certificate of the secondary school degree
- Certificate of English language ability: TOEFL (Computer based TOEFL score: 213, Paper based TOEFL score: 550 points) or IELTS (score 6.0) or equivalent test. If you are a native English speaker or if the Bachelor (or comparable) degree has been obtained at a school, where the primary language of instruction was English, language skills are accepted as sufficient
- Supporting documentation about relevant courses attended and completed at university
- Detailed CV
- Statement of personal objectives, on a separate sheet, and not exceeding three pages, explaining the reasons for applying to the "Urban Agglomerations" programme (personal interests in the field, how to benefit from the programme, future plans after completion of the programme etc.) – this statement of objectives will be of substantial importance for the application and selection process by the consortium
- Letter of recommendation, written by a university professor or teaching staff (excluding language school teachers)
- Documented evidence of professional experience of at least one year. This can be waived in case of excellent final results in the first degree
- Copy of your ID /Passport
- Statement explaining how you intend to finance your studies

All documents must be handed in **in English language**.

You need one set of authenticated and officially translated documents.

Please check the **admission criteria and application documents** carefully before handing in an application.

Please send the complete application by post **and** e-mail to
